Owned and Operated Since 1978 www.bartsofficemoving.com

Bart's Office, Inc. employs Project Management specializing in: Commercial Relocation, Furniture Installation, Space Planning, Government Projects, Move Coordination, Construction and Medical related services.

OUR JOB HISTORY INCLUDES:

University Medical Center

Coordinated and relocated furniture in preparation for new opening to include full relocation of 562 offices after opening.

LSU

Relocated the entire engineering department housed at Patrick Taylor Hall for construction. This move consisted of 264 offices, to multiple locations within the campus in six days. This was LSU's largest single move in one event.

Construction Services

Installed new appliances in multiple complexes, totaling 592 units over the course of three projects.

Restaurant Services

Installed over 1.2 million in restaurant equipment for Brennan's. Also installed restaurant equipment for Sucre, St. James Cheese Company and Marriott.

New Orleans East Hospital

Installed six floors of furniture for the newly reconstructed New Orleans East Hospital. It involved over 6000 pieces of furniture being delivered, in 32 semi-trucks, in a two week period.

Insurance Agencies

Installed furniture and relocated 146 staff from six buildings to one location.

Entergy

In addition to our contract work we also relocated 811 employees during the largest restack for Entergy's head quarters in 2015. This included the relocation of furniture from three major offsite locations totaling 75,000 square feet.

Ochsner Medical

1-184-6324

In addition to our regular work, we have managed their medical equipment warehouse for over three years, totaling 60,000 square feet of space, which includes accepting and process receiving for all facilities projects.

Orleans Parish School Board

We conducted numerous school and administrative relocations every year.
